Dedication

To Robert Earl Moriarty

We, the class of nineteen hundred and fifty-eight, dedicate this annual to "Coach" Moriarty, a great teacher, coach and friend, who has molded the character of "his boys" to a supreme standard. His unselfishness and perseverance will be admired and remembered by his students long after they have left Monson.

Canada

A Canadian sunset, beautifully decorated churches, wonderful chaperones, lots of fun -- tell the story of our trip to Canada.

Each of us will always carry specific memories, like the incident in the elevator with a group of girls; waking up and finding you've missed all the excitement.

Mr. & Mrs. Harrington put much confidence in us and contributed much to our enjoyment. Our thanks to them. We'll never forget this perfect trip.

Washington Trip

Mothers and fathers lined the streets of Monson waving good-bye to the seniors, as they went on their annual class trip to Washington.

First a bus ride to Springfield, a train to New York, another to Washington was the story of the first day. We checked in at the Hotel Carlysle in the evening.

The next few days we toured Washington and Virginia - Mount Vernon, changing of the guards at Arlington Cemetery, a moonlight cruise, dancing at the "Lotus Club" and listening to the "Four Preps," having our picture taken in front of the Capitol building.

After all these exciting events we left Washington with regrets for time, but looked forward to our stopover in New York. Here we saw the various sights of New York City, plus we were treated to the movie, Marjory Morningstar and the famed Rockettes at Radio City Music Hall.

Our trip was most enjoyable, and our sincerest thanks and deep respect go to Miss Miller and Mr. Gould for chaperoning us, on our trip to Washington.

Monson's first team to be officially known as the Mustangs was the 1957 Soccer Squad. Coach Bob Moriarty's charges fought well and established an impressive record. This record was the best in Western Massachusetts for an independent team.

The Mustangs were invited to the Soccer Tournament. In the final game the team met their most formidable opponent. The giant like squad from Ludlow, reputed to be the best squad in Massachusetts. The Mustangs fought valiantly and the game ended in a tie. For the first time in the history of Monson High School the Mustangs were Co-Champs of Western Massachusetts.

Baseball

The 1958 baseball season brought another first to Monson High School. For the first time the Mustangs joined the Valley Wheel. Our new baseball coach, Ned Bowler, trained his Recruits into a well organized fighting team. However, the Mustangs just couldn't make the grade against the much larger Valley Wheel schools.

The squad ended the season with a mediocre record.

Class History

September, 1946, is clear in all our minds. It was our first day of a whole new way of life. A group of shy-eyed boys and girls entered the first grade of South Main and Mechanic Street Schools. The class of 1958 had begun the long hard struggle that spanned over a period of 12 years to a wonderful goal, Graduation Day. First grade was a very pleasant year and went by very quickly, thanks to the kindness of our teachers, Miss Lowe at Mechanic Street and Mrs. Parker and Miss Malhony at South Main. Our class was no different from the classes gone by. We all spent our time behind the piano, on the floor, or on the stairs for chewing gum or talking out of turn. I'm sure none of the girls that went to Mechanic Street with Jim Roach will forget the recesses when he would chase them around the playground trying to kiss them. In second grade we had a new member join our class, Franny Smith, and we all remember in fourth grade when we lost Merril Stebbins to sunny Florida.

Our fifth grade year was spent together at South Main. I guess no one will forget Miss Daily, especially the class from Mechanic Street. I'm sure Janie Moriarty and Dolores Sanzo remember the day in fifth grade when they were jump roping in the basement and Dolores' glasses fell off and she turned around and walked into someone holding a bottle of ink! Oh! that pretty red jumper!

While at sixth grade we really got to know each other. This was an exciting year spent at State Street, with two lovely teachers, Mrs. Norcross and Mrs. Moulton. Our favorite pastime at noon hours and recesses was soccer baseball. The ball was in the river most of the time.

In seventh grade Mr. Grieve was the center of attraction. All the girls longed for history and hated to hear the bell ring. And remember our delightful singing lessons we had with Miss Hynes? I bet the boys do. Seventh and eighth grades were also the years we started selling magazines. We all worked hard and won many nice prizes. Dian Sprague was our outstanding saleswoman.

We finally reached ninth grade and there we really felt important. We all remember our initiation. It was loads of fun even though we were all frightened. We started "adult" work like Algebra, Latin, etc. We will never forget Mr. Brown and his bird dog jokes in Latin classes. Who were the three girls who poured the bottle of perfume in Mr. Brown's wastebasket and all over his ink blotter? This year was the first time we were allowed to go to the high school dances. In the Spring we had our one-act play, it was good, but unfortunately not good enough. The Senior Reception was our problem this year, it was hard work but our work was enjoyed by everyone on the "Big Night."

Our Sophomore year was a wonderful year thanks to Mrs. Harrington. Our Sophomore Hop was a great success. All of us who belonged to the French Club were working to finance our Canadian trip in our Junior year. Again we put a lot of work into our one-act play, but came in second.

In our Junior year, Carol Granger was our representative to Girls' State and Eddie McCarron and James Wood were our representatives to Boys' State. This year was a special year, because we got our class rings. Thank you very much for all your help, Mr. Martin. Our Junior Prom was a huge success as all our dances have been. This was the first dance to be held at Hillside School. It was a struggle to convince those in authority

that we wanted it to be at Hillside, but we finally made it. Betty Jean Swanson was picked as our Junior Prom Queen and her attendants were Beverly Gould and Joan Moore. Then came the week many of us had been waiting for---the Canadian trip for the French Club. Our many thanks to Mr. and Mrs. Harrington for being such wonderful chaperones.

We are now nearing the end of our school years. Seniors at last! We started the year by putting on the Freshman Dance. We were all disappointed that we could not initiate the freshmen but a good time was had by all, nevertheless. The girls hadn't changed from eighth to the twelfth grade. They still have their secret admirers, this time Mr. Bowler, the "handsome" gym teacher. No wonder the gym classes are so large! Meribeth Meacham and Penny Landers started right in to put the school paper together, we'd all be proud of. Barbara Wright was made editor of the yearbook and as you can see she did a marvelous job. We all worked hard on our Senior play, "Rest Assured" and it was a great success. Our sincere thanks to Mr. Holly for coaching it. Tony Costa and Meribeth Meacham attended the Model Congress at American International College and presented bills. We had scrap drives, and ran Friday night dances and sold cards, thanks to the supervision of Barb Namiotko in order to raise money for our Washington trip. In spite of our fears of low funds and (low marks) we made it to Washington. Mr. Gould and Miss Miller made grand chaperones. We all had a wonderful time. Eddie McCarron was elected to represent our school on Good Government Day at Boston.

It doesn't seem possible that our 12 years have passed so rapidly or that we can sum up our wonderful memories in a few lines, but it's been great and we've loved every minute of it.
